What is covered

Subject to the terms and conditions as described in this document, this insurance policy covers the following services:

Alloy

Alloy Wheels	Cost of repairs resulting from Accidental Damage to Your alloy wheels occurring within the Geographical Area.
---------------------	---

Cover is limited to a maximum of 2 Incidents per year.

Each valid claim is subject to a £25 claims excess.

You should also note that this policy does not cover alloy wheels with a chrome effect finish or of split rim construction and/or diamond cut wheels. If You are not sure whether this will apply to Your Vehicle then please contact the person who sold You the policy to check that Your Vehicle can be covered.

No repair will be identical to an automotive factory finish, which is machine-sprayed to tolerances beyond human capability. Hence no possible repair will ever be 'as good as new'. We and the Repair Organisation discharge Our obligations under any repair agreement by providing a good quality, hand-completed aftermarket repair. In normal circumstances, such a repair is unlikely to be detected by a casual examination of the Vehicle by an untrained observer unaware of the previous damage location.

What is not covered

This insurance does not cover the following:

- Damage that pre existed before the Policy Start Date or within the Waiting Period.
- Any damage showing evidence of rust, corrosion or hail impact.
- Damage reported more than 14 days after discovery.
- Any damage caused by stickers or decals.
- A defect which is deemed not to be Accidental Damage.
- General wear and tear, neglect or poorly maintained finish.
- Any resultant loss or third party claims, bodily injury, road hazard, fire damage or any other losses beyond the actual scope of cover.
- Theft of alloy wheels.
- Where the damage of Your alloy wheels is deemed to be a manufacturing defect.
- Any repairs if they are covered by another insurance policy or motoring breakdown organisation recoverable from a third party.
- Any repair estimate over 5 hours to complete.

You will be responsible for:

- any repair commenced or carried out without prior authorisation or reported more than 14 days after discovery.
- costs incurred in the event the reported damage exceeds the Template parameters.
- any repair work completed by the Repair Organisation that falls outside the scope of this policy.

Making a claim

If You think that You have a claim which may be covered by this insurance, You must contact Us in the first instance. The claims telephone number is: 03300 555 256. We will arrange for an independent specialist from Our Repair Organisation to assess any damage. Repairs must not be started until We have given authority.

We will require the following information, so please have this to hand when telephoning:

- Your Policy number and Vehicle registration number.
- Current mileage on Your Vehicle.
- Confirmation that the damage meets the criteria of the policy.
- A photograph of the damage ready to email to Us.

Please note

Our claims department is open from 9.00am to 5.00pm Monday to Friday. The office is closed on Saturday and Sunday.

The repair service is provided by arrangement with the Repair Organisation subject to availability. The Repair Organisation will assess the damage to Your Vehicle and provide an estimate of costs.

All requests for the repair service must be made to Us using the contact instructions provided by Us. If You contact the Repair Organisation or one of its franchisees direct, You will have to settle the bill and We will be under no obligation to reimburse You.

If for any reason, including but not limited to inclement weather, the Repair Organisation is unable to carry out the repair or collection at the time date or location indicated, any and all liability incurred by Us and / or the Repair Organisation as a result shall be discharged by the Repair Organisation making an offer to conduct the repair at an alternative time date or location convenient to both parties, whether or not such time date and location is identified or such offer is accepted.

Repairs may be completed at a location agreed with You, or at the Repair Organisation's nominated location. The Repair Organisation has absolute discretion to decide on the location for the repair. This decision may be changed, including on the date of the booked repair, as variable factors including but not limited to weather and available light affect the decision. If the Repair Organisation decides that the repair should be completed at a location other than that originally envisaged, You must authorise the Repair Organisation to remove the Vehicle to such an appropriate location. Removal and return of the Vehicle in these circumstances will be a service provided by the Repair Organisation at no further charge.

You are entitled to make claims limited to a maximum of 2 repairs during any one 12 month Period of Insurance.

We reserve the right to refuse to provide or arrange repair where:

- a) You are not with Your Vehicle at the time of the repair and You are unable to be present at the time of repair;
- b) in Our / the Repair Organisations opinion, Your Vehicle is dangerous, over laden or unroadworthy;
- c) in Our / the Repair Organisations opinion due to the circumstances surrounding Your request for service; the giving of service would involve any breach of the law;
- d) in Our / the Repair Organisations opinion, there has been an unnecessary delay in reporting the Accidental Damage and requesting the repair service, causing there to be further damage to Your Vehicle;
- e) You cannot produce a valid Policy number (or appropriate receipt) and some other form of identification. If these cannot be produced, and We are unable to verify that the appropriate entitlement is held, We reserve the right to refuse service;
- f) in Our / the Repair Organisations opinion that You:
 - i. or anyone accompanying You, is behaving or has behaved in a threatening or abusive manner to the agents, or to any third party contractor, or
 - ii. have falsely represented that You are entitled to services that You are not entitled to, or
 - iii. have assisted another person in accessing policy services to which they are not entitled, or
 - iv. owe Us money with respect to any services, spare parts or other matters provided by Us or by a third party on Our instruction.

The Repair Organisation undertakes to carry out the repairs indicated on their estimate only. If it becomes clear during the repair that further work is necessary to properly complete the repairs outlined on the estimate, any additional costs will remain the responsibility of the Insured customer. Further work that does not increase the estimate price may be proceeded with without the requirement for customer authorisation.

It is Your responsibility to advise the Repair Organisation of any non-original finish areas on the Vehicle. In case of incompatibility with a non-original finish (whether or not notified by You) in these circumstances, the Repair Organisation will not be obliged to complete or rectify any repair and You will not be obliged to make payment. Liability for mutual contractual mistake under this agreement rests with You.

On completion

We will pay the Repair Organisation directly up to the amount authorised. You must make arrangements to cover the excess cost and any costs not covered by this insurance. If You are VAT registered, We will not pay the VAT element of Your claim.
